TMCEC ONE-DAY CLINIC REGISTRATION FORM (2017)

1 hour CLE | 4.5 hours Judicial Education

A poverty simulation is a role-playing experience. At this training, you will experience a day in the life of an individual receiving or accessing services. The poverty simulation experience is designed to help participants begin to understand what it might be like to see what those we serve experience every day.

Participant comments from prior TMCEC-hosted Poverty Simulations:

"Fabulous seminar! Every judge & clerk should attend!"

"I felt I was aware. Now, I see more of what has been missing. My awareness is heightened & I'm grateful for the insight. I have a very specific list of things to do now. Thanks."
