

MTSI Impaired Driving DVDs For Loan

TMCEC, through its generous funding from TxDOT, can loan municipal courts in Texas impaired driving DVD's for up to one month. The court is responsible for mailing the DVD back to TMCEC. To order, please contact Ned Minevitz at Ned@tmcec.com or (512) 320-8274.

Abusing Over-The-Counter Drugs: Teen drug abuse isn't limited to illicit drugs. Many OTC (over-the-counter) drugs are misused by kids—from cold remedies to pain killers to diet pills. Innocorp (Teen-Adult).

Alcohol and Sex Prescription for Poor Decision Making: This program explores how the use of alcohol clouds thinking, hinders decision-making skills, and creates an unfavorable atmosphere for making healthy decisions. Innocorp (Teen-Adult).

All You Need to Know About Alcohol in 17 Minutes: All types of alcohol-related health problems are reviewed, including addiction, damage to the teen brain and details about fetal alcohol syndrome. Innocorp (Teen-Adult).

America's Bloody Highways: This powerful program graphically shows the reality of drunk driving. Eighty-two images of real people, real victims, real vehicles, real injuries, and real fatalities deliver a powerful punch. It is an effective presentation for driver education, health classes, community presentations, and for first time and repeat DUI offenders. **WARNING: Extremely Graphic.** 14 minutes. Drunk Busters (High School-Adult).

Binge Drinking: The Facts: The trend of binge drinking--the intentional consumption of excessive amounts of alcohol--shows no decline in schools and colleges across the country. Innocorp (Teen-Adult).

Brain Scans: Alcohol and the Teenage Brain: This video takes teenagers on a tour of several labs across the country including one at the University of California at San Diego where doctors are researching the effects of alcohol use in teenage brains. Innocorp (Teen-Adult).

Brotherly Love: Brotherly Love is the story of two brothers who worked together, played together, and died together at the hands of a drunk driver. Twenty-three year old George Palmer and twenty-one year old Tom Palmer were driving home one night after helping their grandparents move when the driver of another car crossed the centerline and hit them head-on. This story is about the pain of losing not one but two loved ones, the effect on an entire small community, and the journey of a family struggling to deal with their deaths over two decades after the tragedy occurred. The pain of losing a loved one never goes away. 13:20 minutes. Drunk Busters of America, LLC (Grade 5-Adult).

BSAFE – Battling Substance Abuse for Everyone: This DVD from the Texas Young Lawyer's Association explores the dangers of substance abuse at all ages. 1 hour (Middle School-Adult).

Buzz in a Bottle: The Dangers of Caffeine-Spiked Energy Drinks: With the lure of an over-the-counter jolt, kids are consuming more energy drinks than ever before and in many cases mixing them with alcohol. Innocorp (Teen-Adult).

Confronting Drunk Driving: Features the true story of Mike Poveromo, a young man who killed his two best friends in a drunk driving car crash when he was a teenager. 26 minutes. Human Relations Media (Grade 7-College).

Courage to Live: Featuring a program piloted by Sonoma County Superior Court Judge Gary Nadler on the hazards of drug and alcohol use, this DVD includes candid responses by inmates incarcerated on drug and alcohol charges and shares the story of Brandon, a 17 year-old whose life was forever changed after a tragic accident. 37 minutes. National Judicial College (Grade 7-College).

Crossing Deadly Lanes: This graphic program presents a profound reminder against drinking and driving that will inform, sadden, and move viewers, both young and old. Real DUI offenders (with no prior criminal records), judges, lawyers, emergency and medical personnel, and victims all share their stories about the hard realities of DUI-related fatalities and prison. 20 minutes. GO Media Companies (Grade 5-Adult).

Drinking & Driving: The End of the Road: In 2007, an estimated 18,000 people died in alcohol-related traffic crashes – an average of one every 30 minutes. Young people will learn that being under the influence of alcohol adversely affects a person’s ability to drive a motor vehicle. 22 minutes. Interactive Educational Media (Grade 5-12).

Drinking Games, Alcohol Abuse, and Overdose: This hard-hitting program reveals the truth about teens that engage in drinking games and put themselves at risk for alcohol poisoning, overdose and death. Innocorp (Teen-Adult).

Driving Stupid: This program dramatizes that most teens overestimate their driving skills and underestimate the risks involved in texting while driving, driving drowsy and driving under the influence. True to life stories accentuate these very real dangers. A young woman describes how a driver who was texting caused a crash that killed her parents and left her with severe injuries. Another teen describes falling asleep while driving and how the resulting crash left him wheel-chair bound for life. A trauma center nurse and a police officer describe the kinds of injuries they have seen for teenage victims of crashes due to alcohol and drugs. The film also shows teens participating in a driving skills program that safely exposes them to a variety of hazards and teaches them the importance of developing safe driving skills. 19:25 minutes. Human Relations Media (Grade K-12).

Drugged Driving: The Road to Disaster: This video takes a hard look at how drugs impact driver alertness, reflexes and perception on skills, the legal consequences of impaired driving, and tells the tragic story of a teenage girl’s death resulting from impaired driving. 25 minutes. Human Relations Media (Grades 7-College).

Drugs: Crime and Punishment: Powerfully presents the life-altering impact of a drug arrest, trial, conviction, and incarceration. The accounts and dramatic reenactments of young people who broke the law and got caught show the harsh realities of being handcuffed, arrested, booked, fingerprinted, and locked up. 18 minutes. Human Relations Media (Grades 7-College)

DUI: The Hard Truth: Using video reenactments and interviews, this program demonstrates how driving under the influence of alcohol can result in unforgettable pain, suffering, and death. 26 minutes. Human Relations Media (Grades 7-College).

Dying High: Teens in the ER: This hard hitting, reality-based video gives viewers a chance to see what goes on inside emergency rooms as doctors treat teens for drug overdose, alcohol poisoning, car wreck traumas, and more. 26 minutes. Human Relations Media (Grades 7-College).

Dying High 2: Real Stories of Drugged Driving: Viewers follow an ambulance driver to a multi - vehicle collision involving teens and drugs, resulting in a spinal cord injury. 20 minutes. Human Relations Media (Grades 7-College).

Edible Marijuana: Is it Safe?: While many teens may think that eating marijuana is an okay way to get high, it is in fact dangerous, risky and still illegal for teens in every state, even those where marijuana use is legal. Innocorp (Teen-Adult).

Emerging Drugs of Abuse: This powerful, no-nonsense video shows teens how underground labs profit by concocting new compounds that mimic the effects of illegal drugs. Innocorp (Teen-Adult).

Everything You Need to Know About Drugs and the Teen Brain in 22 minutes: Compelling animation and smoothly rendered graphics, backed with a chill-out sound track, will draw in the target audience for this program about the physiological and behavioral effects of alcohol and drugs on teens. Innocorp (Teen-Adult).

Everything You Need to Know About Marijuana in 22 Minutes: Students receive a clear message that marijuana is an unsafe, addictive, and debilitating drug. Live-action footage coupled with visuals and realistic descriptions present the effects of marijuana on the body and mind in a direct manner. Innocorp (Teen-Adult).

Everything You Need to Know about Prescription & Over-The-Counter Drugs in 17 Minutes: Program takes a close look at the do’s and don’ts of prescription and OTC medicines, informing viewers of their potential risks including abuse, addiction, overdose and death. Innocorp (Teen-Adult).

Forever Changed: Have you ever gotten behind the wheel of your car after drinking alcohol? Did you ever tell yourself that you were fine to drive after drinking and that accidents only happened to "other people"? Tom Melin always referred to himself as a professional drunk driver. He began driving under the influence of alcohol at the age of 16 and never thought twice about the consequences until his life was forever changed. His story uses real life experience to demonstrate the devastating consequences of drinking and driving. 34:40 Minutes. Forever Changed Productions LLC (High School-Adult).

Gateway (Drugs): This DVD is designed to educate younger children about the dangers of drug use. 30 minutes. CWK Network (Grades 4-8).

How Could This Happen? A True Story about Binge Drinking and Death: This program gives students a close up look at the story of Molly Amman, a vivacious nineteen-year-old, straight-A student who died of acute alcohol poisoning in 2011. Innocorp (Teen-Adult).

Jacqui's Story: This is the unforgettable story of two lives changed by a fatal drunk driving collision outside Austin, Texas. Jacqueline Saburido, a 20-year-old college student who lost her face, hands, and much of her eyesight, and Reginald Stephey, the high school football player driving drunk that night, give candid interviews in this 28 minute documentary-style video presented in three parts. TxDOT (Teen-Adult).

Just Call Me Crash: Once a model, Denise Wagoner is now blind, disfigured, and brain damaged as a result of a drunk driving crash. The driver was not sentenced to jail and did not receive a fine – her punishment was to live in a world of darkness. 14 minutes. Drunk Busters (High School-Adult).

Marijuana and the Teenage Brain: This program informs students about the latest research on the effects of marijuana on the brain. Recovering marijuana addicts provide a human face to the effects of marijuana as they describe why they started using and how use led to dependency and addiction. Innocorp (Teen-Adult).

Marijuana: Does Legal Mean Safe?: Many teens think that pot is harmless because some states have legalized marijuana for medical and/or recreational purposes. This fact-based program emphasizes that legality is not the same thing as safety and details the risks of marijuana on mental and physical health. Innocorp (Teen-Adult).

National Road Safety Foundation Impaired Driving Stories: Fictional stories of impaired driving. National Road Safety Foundation (Middle School-High School).

Overdose Epidemic: What Can be Done to Stop It?: The spike in drug overdose is alarming and dangerous—it has become an epidemic in many communities across the country. Why is this happening? Innocorp (Teen-Adult).

Preventing Substance Abuse: A Distorted State of Mind: This DVD highlights the dangers of alcohol and drug abuse. Go Media (High School-Adult).

Shattered: This Emmy award-nominated program offers compelling interviews with eyewitnesses, the young convicted drunk driver, her boyfriend and family, and the victim's family. Shattered provides viewers with an experience so powerful and personal it will feel as if they were behind the wheel that night. 22 minutes. CWK Media Company (Middle School-Adult).

Sudden Impact: After the Crash: Drunk driving crashes: they happen every day, and when they do, the reporting on the nightly news goes something like this: "One dead, give injured in a car crash. Drunk driving suspected." This program, narrated by Tom Brokaw, goes behind the scenes of one such "accident" and describes what happens in the course of a year after the crash. Comes with teacher's guide booklet. 43 minutes. NBC News (Grades 7-College).

Teen Truth: An Inside Look at Drug and Alcohol Abuse: This compelling video, much of it shot by teens themselves, weaves together footage of real drug addicts in recovery, with teens who have casually experimented with drugs and alcohol. Innocorp (Teen-Adult).

The Deadly Consequences of Drunk Driving: This three-part video collection tells the story of one fatal drunk driving accident and the many lives that are forever affected. The videos can be used individually or as part of three different lessons, and includes the following titles: The Crash, Left Behind, and Choices. **WARNING: Videos contain graphic images and intense content.** Two Sisters' Productions (Grade 5-Adult).

- **The Crash:** is the story of a fatal car crash that killed Katie DeCubellis, 13, and Marsha Bowman, 44, on October 29, 1999. That night, Marsha was driving her daughter, Becky, and Katie (Becky's friend) to the mall. A drunk driver slammed into their vehicle from behind, sending the car into oncoming traffic. Becky survived that night, and speaks openly about her experience, as does Katie's family, and all those who were involved. 20 minutes.
- **Left Behind:** explores the shattered lives of the people who loved Katie DeCubellis and Marsha Bowman. This story focuses on the after effects of the drunk driving crash that took their lives and left Marsha's daughter, Becky, forever scarred by the tragedy. Now, John DeCubellis, Meg DeCubellis, and Becky Bowman work ceaselessly to raise public

awareness for the need to make responsible decisions. However, no amount of work can erase the pain or loss for those left behind. 23 minutes.

- **Choices:** reveals the ripple effects of one decision made by Stephen Reise on the night of October 29, 1999, when he chose to drive while impaired. Both Katie DeCubellis and Marsha Bowman were killed on their way to the mall when Reise slammed into the back of Marsha's car. Reise is currently serving 14 years imprisonment and 30 years' probation. Both families, however, are serving life sentences as a result of his choice. 25 minutes.

The New Marijuana: Higher Potency, Greater Dangers: The potency of THC, the mind-altering chemical in marijuana, has more than doubled in the last twenty years creating a greater risk for impairment and a far higher risk of addiction. Video presents viewers with up-to-date information on THC potency and looks at how THC affects the brain, how you become addicted, how marijuana impacts brain chemistry, cognitive function as well as mental and physical health. Innocorp (Teen-Adult).

The Unconscious Truth: Physical and Legal Effects of Underage Binge Drinking: This powerful DVD from the Texas Young Lawyers Association explores the dangers of underage binge drinking. This DVD comes with a workbook. 24 minutes (Teen-Adult).

Think About It: *Think About It* is a groundbreaking program that features a powerful short film, a compelling documentary, and an interview with a well-respected and published psychiatrist who deals with teens and teen development. This 2-disc DVD set, with television quality and contemporary storytelling, will capture the viewer and make them *think about it*. 38 minutes. Endeavor Pictures (Grade 5-Adult).

This is Your Brain on Alcohol: New studies show that the complex brain builds its basic capacities and potential for the future during the adolescent years. Innocorp (Teen-Adult).

Too Much: The Extreme Danger of Binge Drinking: Against the backdrop of spring break overindulgence in Panama City, Florida, this documentary examines the harrowing and tragic consequences of underage drinkers who do not understand the real risks of out-of-control alcohol abuse. Innocorp (Teens-Adults).

Underage Drinking: Is it Worth it?: New scientific studies show how even small amounts of alcohol can create chronic health issues for teen brains. Viewers learn that DWI and DUI take thousands of lives every year. Innocorp (Teen-Adult).

Unfinished Miles: A DUI Victim's Powerful Story: Mark Manion and his cousin Mike were involved in a horrible crash while cycling across the United States. Mike was killed and Mark was left paralyzed from the neck down. Sixteen years later, the real truth of the crash was revealed – the driver of the car was drunk. Mark's story gets a person to think about choices, and the consequences of those choices. 20 minutes. Mark Manion (Grade 5-Adult).

Victims...All Victims: Powerful stories of drunk driving tragedies. 22 minutes. UT/TV-Houston (Teen-Adult).

Youth Courts, Getting the Most Out of the Deliberation Process: The deliberation process is a critical component of every youth court. The "Getting the Most Out of the Deliberation Process" lesson is designed to educate youth court jurors or judge panels on the deliberation process so that they can be better equipped to recommend fair, constructive, appropriate and restorative dispositions for youth court defendants/respondents. We hope that you will find the flexibility of this lesson useful as you help prepare your youth volunteers to serve in this crucial youth court function. (Age 7+).
