## A Message from the Texas Municipal Courts Association

On behalf of the Texas Municipal Courts Association, let me welcome you to the *TMCEC Judges Regional Programs*. Your participation and input in the program is an indication of your commitment to improve your education and enhance your performance as a Texas jurist.

The TMCA was created to provide support for municipal court personnel and to improve the fair and impartial administration of justice in the municipal courts of Texas. Since 1974, the Association has been providing that support. In 1983, TMCA was selected by the Texas Supreme Court to receive and administer a grant to provide continuing legal education to municipal court personnel. In that same year, TMCA created the Texas Municipal Court Training Center as an independent educational entity. In 1994, the Training Center changed its name to the Texas Municipal Courts Education Center and continues to provide a wide range of educational programs to our many constituencies.

TMCA sponsors and directs TMCEC programs through policies set by the Board of Directors and the TMCA Education Committee. This oversight and direction ensures that the educational seminars and clerk certification programs comply with state requirements. The distinction between TMCA and TMCEC is intentional and is maintained so as to permit TMCA to actively pursue the legislative interests of our members. As a state grant recipient, TMCEC is prohibited from engaging in legislative activities other than serving as an informational resource. While grant funds are used to pay for the education programs and operating expenses of TMCEC, no grant funds are available for TMCA operating expenses. TMCA is wholly dependant upon its membership dues and fund raising activities for financial support.

If you have not already become a member, I invite you to join TMCA. Your involvement and participation is critical to the continued vitality of the association and the support of municipal court personnel across the State. Membership in TMCA offers a chance to network, a voice in your judicial education and an opportunity to impact the quality of justice in Texas municipal courts. I encourage you to visit our website at [www.txmca.com](http://www.txmca.com) where you can find more information on how to contact your regional representative, download membership lists, and find other resources.

Thank you for coming!

President, TMCA
