The undersigned Magistrate determines that:

- 1) the Defendant, \_\_\_\_\_, is not charged with nor has been previously convicted of a violent offense as that term is defined in Article 17.032(a) of the Code of Criminal Procedure;
- 2) the Defendant was examined by the service provider that contracts with the jail to provide mental health or intellectual and developmental disability services, the local mental health authority, the local intellectual and developmental disability authority, or another qualified mental health and developmental disability expert under Article 16.22;
- 3) the applicable expert, \_\_\_\_\_, in a written report submitted to the undersigned Magistrate under Article 16.22 of the Code of Criminal Procedure concludes that the Defendant has a mental illness or is a person with an intellectual disability and is nonetheless competent to stand trial and recommends (mental health treatment) (intellectual and developmental disability services) for the Defendant; and

The undersigned Magistrate further finds that after considering all the circumstances, a pretrial risk assessment (*if applicable*), and any other credible information provided by the attorney representing the State or the Defendant, that release on personal bond would reasonably ensure the Defendant's appearance in court as required and the safety of the community and the victim of the alleged offense.

Therefore, pursuant to Article 17.032 of the Code of Criminal Procedure, the Defendant is **ORDERED** released on personal bond on the above charge. (*Check any applicable boxes below*)
